

Lightcast Networks Virtual Church Pricing

- 041008

Annual Agreements - Weekly cost per Church Service per Homebound:

(Billing is for 13 weeks in advance, today we can only bill Churches and Organizations for port services not Homebounds directly. Services are flat rate and not usage based which helps lower risks of over use and stay in budgets.)

180 Minute Reserved Ports = \$13.95 per port

150 Minute Reserved Ports = \$11.95 per port

120 Minute Reserved Ports = \$9.95 per port

90 Minute Reserved Ports = \$6.95 per port

75 Minute Reserved Ports = \$5.95 per port

65 Minute Reserved Ports = \$4.95 per port * our most used service

30 Minute Reserved Ports = \$2.95 per port

For non-weekly scheduled special occasions add \$2.00 per port programming fee.

Examples may include a 65 minute funeral, wedding, bible study or play.

For non-weekly scheduled special occasions add \$2.00 per port programming fee.

Examples may include a 65 minute funeral, wedding, bible study or play.

Annual cost for Equipment (one time payment) or weekly rental:

Basic Church Interface Kit = \$189.99 on annual services or \$3.00 per week rentals (many times promotions available)

2-way Deluxe Kit = \$350.00 or \$4.00 per week rentals on annual services

(2-way allows others to dial in to your church and speak over the church sound system, i.e. Mission workers, this involves added port services

Home-Receiver Kits Equipment = \$19.99 each, per reserved Port (many times promotions available)

Annual Agreement required for Equipment promotions. Shipping and taxes are not included above. These charges will appear in the first invoice. Lightcast may discontinue this or any promotion at any time. Lightcast will honor any signed promotional agreements as per the terms in the agreement. See our service agreements for more details.
